Stephanie Keeton, School Head  
Escambia Christian School  
3311 West Moreno  
Pensacola, FL. 32505

Dear Stephanie Keeton,

As Vice President of the Association of Independent Schools of Florida, Inc. (AISF), it gives me great pleasure to inform you that the Board of Directors on February 26, 2019 at it's regularly scheduled board meeting approved the report of the visiting evaluation committee. Escambia Christian School has been granted Candidate Status Membership of AISF as of the date of the board meeting.

On behalf of the AISF Board of Directors, we thank you for taking interest in the accreditation process. You are now eligible to start our provisional process. Go online and review our bylaws and standards. This will help you as you prepare your self-study in anticipation of an onsite visit and review. Prior to an on-site visit the team must receive your self-study and review it thoroughly. If you need any assistance contact Rowena Flanders Ramos or myself.

AISF accredits its schools on an annual basis with the maintaining of standards; completion of the Annual Report by the 1<sup>st</sup> of February each year, which may be found on the AISF website: [www.aisfl.com](http://www.aisfl.com). Annual mandatory attendance at the AISF Administrator's Annual Business Meeting TBA and a self-study and on-site review at a minimum of three years initially which will coincide and be part of AdvancED/SACS and Middle States Association accreditation as applicable are required.

On behalf of the AISF Board of Directors and it's Membership, please accept our heartfelt congratulations on your Candidate Status.

With the Warmest of Regards,

Afua Baptiste, ED.S.
